Covid-19
Restrictions

(Important)

Visitors are permitted to enter the country, by land or air (Entebbe International airport) with a **negative PCR COVID-19** test taken no more than **72 hours before** boarding aircraft in-bound to Uganda.

The Government of Uganda requires that all **departing passengers** present a **negative PCR COVID-19** test taken not more than **72 hours before departure**. This requirement is mandatory for all departing passengers out of Uganda even if the destination country does not require it. For a full list of accredited laboratories and approved sample collection points, please visit the Uganda Ministry of Health's [website](#).

Travelers are expected to **cover all costs** associated with their COVID-19 test prior to departure, from their country of origin. In Uganda, the organisers will cover the costs of all tests (except the mandatory PCR test at the airport). In case of any positive case, it is strongly recommended that all participants take a medical and travel insurance to cover any unexpected medical expenses.

Unvaccinated incoming passengers will have to undergo a **mandatory PCR test** at Entebbe Airport at a cost of **\$50**. Passengers will have to wait for the test results (4 hours approx.) before they are authorized to leave the airport. Fully vaccinated (2 doses, whenever applicable) passengers are exempted from the PCR test and will be authorized to enter the country after immigration.

Travelers who test positive will be taken to a quarantine facility or to a Ministry of Health facility for treatment or given the option to be repatriated (for foreigners), at their own cost.

A **nationwide curfew** is enforced from **9pm to 6am**. Note that arriving and departing airline passengers will be exempt curfew restrictions when their flights take place during quarantine hours.

Visit the Government of Uganda [website on COVID-19](#) and the [Ministry of Health website](#) for further information on COVID-19 situation in the county. In case you have any question, contact the organisers or the BCA.

BCA will publish a comprehensive COVID-19 protocol in the coming weeks.
